Please indicate recognition of these items by checking each box.

Driveway permits are good for 30 days. All work including the paved surface requirement must be completed within this time frame. Failure to do so may result in the revocation of this permit and/or render the driveway non-usable.

The existing drainage of ditches, swales and etc. must be maintained with the use of pipes, culverts and etc.

The applicant also agrees to keep the street (private or public) or roadway free of dirt, mud, stone, gravel and etc.

All driveway entrances shall have a paved surface that extends 15' from the edge of the street's pavement or to the outer limit of the right-of-way, whichever is greater.

Failure to comply to the above stipulations may result in the revocation of this permit and/or assessment of clean-up costs.

Driveways on State of Tennessee roads (Topside Road and Louisville Road) must also obtain a permit from the Tennessee Department of Transportation (865)594-2456.

The roadway clean-up and paved surface agreements apply to these state roads also.

Fees: Driveway Fee \$75.00
